

Visitation Restriction Notice

The coronavirus disease (COVID-19) is spreading across Fukuoka Prefecture. To ensure the safety of our patients, we are prohibiting all visitations apart from certain exceptions.

Visitations are restricted to the following cases:

- Visitors chaperoning severely sick patients
- Visiting to receive a doctor's explanation
- Visitors chaperoning for hospital admission, discharge or surgery
- Visiting when requested by hospital staff
- * Other errands such as sending/receiving laundry should be done at the ward entrance.

If you have any questions, please ask at reception or telephone the relevant ward.

We appreciate your cooperation in this matter.
